

Hello

I'm very happy to write this letter because I want to thank all the support that you give it to me.

You help me with school properties. you pay school fees for me. you bought me some clothes and food. Now I am in Form B. When I finish school I want to be a doctor.

I like to play volleyball and basketball. During my spare time I used to read the news papers and novels.

Your best wish

Moleboheng.
